IFES

Back to 2006

Our Objectives for 2008 as outlined in Madrid in 2006:

- **Increase membership to 30 countries.** IFES now represents over 30 members in 28 countries;
- **Quarterly newsletter to be send to members.** This newsletter goes to 1200 industry contacts every 2 months;
- **Establish working alliances with other organizations.** UFI President Cliff Wallace will speak at IFES Convention;
- **Strengthen the partner network.** We have launched the International Partnerguide and are having the first ever IFES business speeddating session at the convention;

Focus for 2008 - 2009

- **Build on the work of José Maria Pérez de Olacochea:** further encourage business partnerships by launching phase 2 of International Partnerguide;
- **Play a more active role in policy development,** with special focus on health and safety issues;
- **Further increase IFES Membership** by attracting members in new areas linked to our industry;
- **Provide value to our membership** by negotiating favourable deals with major service providers;
- **Better position IFES for the future,** notably by developing the convention to the must-be event of our industry;

THANK YOU !
